

## Hall

The **Hall** is a direct access from the entrance at ground floor level, with elongated form, curved ceilings, white walls, with very bright baked tiles. It's a Mediterranean style lobby, magnificent to give the best reception to your guests and very suitable for exhibit posters, displays, cabinets and other media used to personalize your image or submit your proposals.

This area has direct access to the Carob Tree Patio, the Olive Tree Patio and to the auditorium. It also hosts the security reception, access control, audio-guides, lockers and toilets, apart from direct access to the shop and bookstore Miró.
